It is one of the best publications. It is definitely simplistic but exciting in the 50% of the ebook. I am very happy to let you know that this is basically the greatest publication I have ever gone through within my own existence and could be the greatest PDF for ever.

An utterly engrossing historical romance from debut novelist Bee Ridgeway, *The River of No Return* is a must-read. Time is like a river. It always flows in one direction. What if everything you thought was certain was not? 1812: On a lonely battlefield in Spain, Lord Nicholas Falcott, Marquess of Blackdown, is about to die. But, the next moment, he inexplicably jumps forward in time, nearly two hundred years - very much alive. Taken under the wing of a mysterious organisation, The Guild, he receives everything he could ever need under the following conditions: He can't go back. He can't go home. He must tell no one. Accepting his fate, Nicholas begins a life of luxury as a twenty-first century New York socialite, living happily thus for the next ten years. But, when an exquisite wax sealed envelope brings a summons from the Alderwoman of The Guild, Nicholas is forced to confront his nineteenth century past. Back in 1815, Julia Percy's world has fallen apart. Her enigmatic grandfather, the Earl of Darchester, has died and left her with a closely guarded secret, one she is only now discovering - the manipulation of time. In terrible danger from unknown enemies, Julia flees her home to the sanctuary of neighbouring Falcott House. In this strange place Julia and a recently returned Nicholas are drawn to each other and together they realise how little Julia knew about her beloved grandfather and begin to understand his ominous last words. Pretend. Bee Ridgeway's *The River Of No Return* is a truly unforgettable novel. If you loved *The Time Traveler's Wife* or *The Night Circus* then prepare to be swept away by...
