BLOODAXE BOOKS LTD, United Kingdom, 2000. Paperback. Condition: New. Language: French,English . Brand New Book. Eugene Guillevic, who died in 1997, was one of France s most important contemporary poets. Dating from 1961, Carnac marks the beginning of Guillevic s mature life as a poet. A single poem divided into several parts, it evokes the rocky, sea-bound, unfinished landscape of Brittany with its sacred objects and its great silent sense of waiting. The texts are brief but have a grave, meditative serenity, as the poet seeks to effect balance and help us to make friends with nature, as well as to live in a universe which is chaotic and often frightening. In this poetry of description -- where entire landscapes are built up from short, intense texts -- language is reduced to its essentials, as words are placed on the page like a dam against time, and aspire to what John Montague calls their mystic materialism.
