

A Jesuit Cardinal: Robert Bellarmine (Classic Reprint) (Paperback)

Filesize: 8.04 MB

Reviews

Absolutely among the finest publication I actually have actually go through. It really is rally fascinating throgh reading time. I am easily could possibly get a pleasure of looking at a composed ebook.

(Prof. Rick Romaguera)

A JESUIT CARDINAL: ROBERT BELLARMINE (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Jesuit Cardinal: Robert Bellarmine Partaking of that admiration of classic models which yet survived the days of Medicean glory in Florence, he found much delight in their study. From Virgil, especially, in due time, he drew a poetic inspiration, while Horace and the Satirists lent him their charms of number. He could early write Italian odes with equal facility and success, and after a few years some of his Latin verses obtained celebrity. The hymn in the Roman Breviary, in honour of Mary Magdalene, beginning with Pater superni luminis, inserted there by command of Clement VIII., was from his pen. That the spur of ambition urged him, even in the gay morning of childhood, is no doubted. He used to tell a little anecdote of himself, which says as much. At church one day, with his mother, during sermon, and rather amused than edified, he diverted her attention by repeating, again and again, and loud enough to be heard by many, Signora, do you not see that I am going to be made a Bishop and a Cardinal? Hush, said Cynthia, hush, hush! Nay, lady, he shouted, pointing at the pictures of illustrious Doctors that adorned the building, I shall be like one of them, some day. Jesuits have imagined that the boy prophesied. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
