## Me and The Genies (Paperback)

By Shaun Johnston

Evolved Self Publishing, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Tapping into one of the central controversies of our time, Me and The Genies is two books in one. Its a humorous novel about the romance between cynical Henry Lazaar and beautiful Sung-Tin. Its also an introduction to the battle positions taken up by evolutionists and creationists over the thorny issue of human origins. Read the book straight through to where Sung-Tin pops the Question, or turn to it chapter by chapter for background on particular issues about human origins as they come up. Or read it just for the unusual feat of a writer ingeniously juggling two totally different genres at the same time. The ideas and issues dealt with here through fiction also appear as manifesto in Save Our Selves from Science Gone Wrong by the same author.

### Reviews

*The ideal publication i possibly go through. It is amongst the most awesome publication we have study. I am just easily will get a satisfaction of studying a published publication.*

-- **Shanie Cartwright**

*This is an awesome publication which i have actually read. This is certainly for all who statte that there was not a well worth reading through. Its been designed in an extremely straightforward way and it is merely after i finished reading this ebook in which actually changed me, affect the way in my opinion.*
