Green Ivy, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Rising Above on God s Wings of Love is a short inspirational memoir of my life as I walk through my journey with God by my side. I share short stories of struggles and emotional pain I endured in a season of my life when I was raising my children. In the midst of darkness, God s angels revealed miracles that unveiled the beauty of God s love and angelic touch. My children were what kept my heart beating, hoping and believing that God is always there and we are truly never alone in our seasons of struggle and adversity. There were times when I felt beaten up by life; it was in those times that I kept persevering, praising God in the storm and believing in God s promise--He has come that I may have life and have it more abundantly. I walk you through an inspiring and awakening journey of living a positive life and seeing the world and people with a heart of love and with the eyes of our heart. This is a story of hope, perseverance, believing, healing, and having an enduring faith. Miracles do exist if we never give up hope and never give up on our dreams.
