Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Blessing, Texas.a great place for folks who are happy with the little things in life. Fat doesn't take hold, bruises don't happen, bird poop just can't find a target, and flowers bloom unseasonably. With a little Luck, women and men find the perfect mate. Luck, in truth, is the sweet flow of fortune channeled by the Bless line of male descendants. But even with the Luck, the latest heir to the Bless heritage, Jackson, is struggling to keep the town viable. His plan is to revitalize the abandoned old factory and build a retail center that will attract tourists; enter Tanna Synfel, the environmental assessor who is supposed to help him determine the site's condition. Practical Tanna not only doesn't believe in luck, but her no-nonsense investigation is revealing an environmental and financial nightmare for Jackson. Feisty Tanna is a happy distraction for Jackson (could she be the one for him?), but Tanna's horrified to find herself attracted to such a useless dreamer whose very beliefs threaten her sense of control and security. Only suddenly nothing is going right for Jackson. Is the Luck running out? Will he be the first Bless to fail his legacy? What will happen to Blessing if he has no Luck? While his self-confidence withers, Tanna's own viewpoint of what is truly important is shifting. Blessing must be saved, and finding the answer as to how to do it is an undertaking more unsettling, and life-changing, than either Jackson or Tanna expect. After all, love, like Luck, is no simple thing. A fun and sexy romp in small town Texas!.
