This comprehensive course in basket-making techniques includes 25 wonderful projects for crafters of all levels. Simple yet effective ideas include a woven fan and willow door decorations; more advanced projects range from traditional items such as a blackberry basket to an abstract platter and a contemporary linen basket made from dyed cane. An expert introductory section teaches all the necessary skills in easy-to-follow step-by-step photographs, and also includes all the information the reader will ever need on materials and equipment. With the addition of an inspirational gallery of basketwork by professional artists, this book is not only a fantastic crafter s handbook, it is also a visual celebration of this timeless art.
