

System of Voluntary, National Revenue: To Replace All Compulsory Taxation, Combined with the Distribution of the Right of Suffrage, Upon Principles Entirely New (Classic Reprint) (Paperback)

Filesize: 7.18 MB

Reviews

*This publication will never be effortless to get started on reading through but very fun to read. It is actually loaded with knowledge and wisdom You will not truly feel monotony at anytime of the time (that's what catalogues are for about in the event you check with me).
(Marlin Bergstrom)*

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from System of Voluntary, National Revenue: To Replace All Compulsory Taxation, Combined With the Distribution of the Right of Suffrage, Upon Principles Entirely New I am not vain, or presumptuous enough, to suppose, that - favoured beyond every proposal, that ever yet was made - this, my project, is to offer itself to the Public, and meet no opposition old habits - prejudices - mis taken interests - Apride and jealousy - with all their cavilling and captious accessaries, will undertake as surely, such species of warfare and hostility, as their means will permit; but I shall endeavour to repel or answer them, only by the following entreaty, which is, that, having marshalled in the most hostile array, all that they can impress or conjure up, to militate against my system, they will have the goodness to compare the amount of such objections, with the amount of those that subsist, and may be urged against the existing methods of Election, Representation, and Revenue; and having done this, to compare next, against mine, the amount of those objections that are palpable, and recognized, in every other system that has been proposed; including all the unintelligible professions of political faith, lately uttered on the Westminster Hastings - the echoes of all that have preceded. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
