NIGHT SHADE BOOKS, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. In space, nobody can hear your scheme. . . . Sometimes piracy just doesn't pay. Captain Alexander Outland of the Sixty-Nine (short for Space Vessel 3369, of course) is the best pilot in the galaxy. He's also a pirate, a smuggler, and loved and loathed by women in umpteen solar systems. His crew of strays and misfits includes an engineer of dubious sanity, a deposed planetary governor, an annoyingly unflappable Sexbot copilot, and a slinky weapons chief who stubbornly refuses to give the captain a tumble. Outland just wants to make a decent living skirting the law, but when an invisible space armada starts cutting into his business, he soon finds himself in hot water with the military, the mob, mad bombers, and an extended family of would-be conquerors. And that's not counting an occasionally telepathic spy. Like any sensible scoundrel, he hates heroics. They're risky and they don't pay well. But to keep his ship and crew in one piece, and make time with a certain hard-to-get weapons chief, he might just have to make an exception--and save the galaxy despite himself! Laugh-out loud, read until you drop. Alexander (the) Outland is my favorite space pirate. --New York Times bestselling author Patricia Briggs.
