It took some time for me to realize the feeling of emptiness and lack of fulfillment in my life was indicative that I need to do something more. It took me a while to come to grips with what that Something might be and as I read and meditated on God s Word, that Something became clearer day by day. I determined, keeping God to myself was no longer an option but instead I was commanded to share Him with others through acts of love, kindness and mercy. However, as my passion to share Him with others increased, I recognized there were steps to be taken and lifestyle changes to be made, such as defeating failure and conquering obstacles. I also realized spiritual growth or living in the spirit is a process and not a destination. In this book On Becoming God s Servant, I listed eight (8) suggestions to help you on your way to Becoming God s Servant. As you read and meditate on these selected bible verses, I pray you will be encouraged and inspired to recognize and seek to fill the emptiness in your soul and spirit. I trust you will find your journey to Becoming God s servant is a pleasant but humble experience, filled with His joy and peace.
