Booksurge Publishing, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.College Degree - Half Price! by Seger S. Morris is a powerful and important guide to help you accomplish all of your educational goals. Written in a straightforward and forthright manner, this book teaches readers how to take control of their futures by initiating an incredibly simple system. From getting credit for what you already know to the truth about Internet courses, this approach saves real time, and a lot of money. Contrary to many other publications, this book does not show people how to qualify for scholarships or grants to reduce the cost of education; rather, it empowers prospective students and their families to take control of their futures-now. Everyone-rich, poor, white, or minority-will be able to implement these strategies to save time and money on earning their college degrees. Parents, this book includes everything your parents wish they had known before you went to college. If you or your child is planning to attend college any time soon-you must read this book!.
