John Blake Publishing Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Sexual failures of the world unite! Now is the time to stand up and be counted (or measured). A celebration of sexual failures, Is It In Yet? is an antidote to all those self-help books obsessed with sexual performance. Aimed not just at those with serious shortcomings, it s a book for anyone for whom the phrase cock-up in the bedroom is only ever associated with humiliation. These bizarre but true tales of sexual stupidity and strangeness include: The perils of having sex with a hot lasagne \* The couple who suffocated while making love in the back of a hearse \* The flasher who only exposed himself to department store mannequins \* The man who mistook superglue for lubricant \* Alarming fetishes including clowns, falling downstairs and licking eyeballs \* The man who married his horse (and gave her lingerie) \* The woman who took five years to discover her boyfriend was actually female If it s deviant, disturbing or just plain dumb.you ll find it in Is It In Yet?.
