Random House USA Inc, United States, 2011. Paperback. Book Condition: New. Ruth Sanderson (illustrator). 175 x 140 mm. Language: English . Brand New Book. For all lovers of horses and history, it s the next book in the popular Horse Diaries series. Born in California at the start of the Great Depression, Risky Chance is a gray thoroughbred who was born to race. Life at the track and being spoiled by his jockey s young daughter, Marie, is all Chance could ask for. He loves nothing more than running fast and winning. But after an accident, Chance discovers a side of horse racing that has little to do with glory. Like Black Beauty, this moving novel is told in first person from the horse s own point of view and includes an appendix full of photos and facts about thoroughbreds, horse racing, and the Great Depression.
