Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Lost Pond was a tradition, a myth. It had never been seen by any living person. Two dead men, it was alleged, had visited it on several occasions while they were yet living. Wonderful tales were told about that pond for which many persons had hunted, but which no one of the present generation had ever been able to find. Every guide in Long Lake township talked about Lost Pond and repeated the legends, which through the passing years had probably lost none of their original enticements. Many of these guides had even got the stories at first hand from Captain Parker and Mitchel Sabattis.
