

An Essay on Spermatorrhoea, and Urinary Deposits: With Observations on the Nature, Causes and Treatment of the Various Disorders of the Generative System; Illustrated by Numerous Interesting Cases (Classic Reprint) (Paperback)

By Richard Dawson

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from An Essay on Spermatorrhoea, and Urinary Deposits: With Observations on the Nature, Causes and Treatment of the Various Disorders of the Generative System; Illustrated by Numerous Interesting Cases It will be seen that great importance is attached to chemical and microscopical examinations of the urine; for I feel assured that much of the success in the treatment of spermatorrhoea, will depend upon the information to be Obtained from urinary investigation. It is a source of gratification to me that the profession, not only in England, but in the Colonies, begin to see the importance Of attending to this subject; and, if I may judge from the numerous communications I receive from professional gentlemen, both at home and abroad, the time is not far distant, when this subject will receive that general attention which its importance deserves. Reviews

Completely essential study ebook. This is for all those who stutte there was not a well worth reading. I realized this book from my dad and i recommended this publication to find out.

-- Jarrell Kovacek

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Sallie Wiegand
