Createspace Independent Publishing Platform, United States, 2011. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Seasons, Saints Angels is liturgical, incarnational and grounded in the common life of the Episcopal Church. These poems are sacramental, provocative and sometimes funny. The journey of faith, the desires of the heart and a joyful immersion in the feast days and seasons all are met with a resonant voice. And there is light; there is energy; there are, indeed, elements which would suggest the presence of angels. And then there are saints, whose very breath gives vibrant form to poems.
