By Dave Bookbinder

Dave Bookbinder, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Ask anyone from the CEO to the shipping clerk about the organization s most valuable asset, and you ll get the same answer: The people! However, when it comes to the valuation of that organization, especially in terms of intangible assets, items like patents and trademarks wind up seeming to be more valuable. How can that be? Simple: They re more quantifiable. In The NEW ROI: Return on Individuals, we delve into placing a more quantifiable value on the human capital asset - the most valuable asset in every organization. Additionally, we explore universal ways to promote even greater workforce value including creating difference makers, increasing employee success, improving happiness, reducing toxic employees, generating innovation by building trust, embracing and improving corporate culture, and much more. Do you know who your rock star employees are and how to improve employee engagement and employee morale? Want to keep your top performers happy and productive? Do you actually know the real cost of toxic employees to your bottom line and profitability? Why do some teams succeed while others fail. even within the same organization? What...
