THROUGH THE LOOKING GLASS: A PRIMER FOR A COURSE IN MIRACLES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is a collection of my blogs that are not concerned with what we call, Truth. You will have to decide what truth is for yourself. Here you will find thoughts, hopefully provocative thoughts, that may give rise to even more thoughts. We shall visit astral thoughts provoked by astronomy, we will visit time and space and more from yet another perspective. Our world is loaded with thoughts about an extraterrestrial force that has some measure of control over us and addresses an after-life. As though a secular state of affairs with judgments and punishments were not enough to control humanity we have found one or more supernatural forces to assist throughout time in this accomplishment. With seemingly no limit to religions in our Universe, - many of which may have strayed from original philosophical thinking, I offer yet another that could be a hybrid between the two, yet one not of this world. For many reason I find this to be a refreshing intellectual excursion. NOTE: The material on the Introduction to A Course in Miracles and the one to follow on Christianity and ACIM - A Dialog were syllabus I wrote for classes facilitated by Terese Bontempo and me based on ACIM and a dialogue between Kenneth Wapnick and Father W. Norris Clarke. As you might guess, the author is a long time student of A Course in Miracles.
