It Seemed Like a Good Idea: A Compendium of Great Historical Fiascoes

By -

HarperCollins Publishers Inc, United States, 2000. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book. Throughout the annals of history, the best of intentions--and sometimes the worst--have set in motion events with a vastly different outcome than originally intended. In this entertaining, fact-filled chronicle, William Forstchen and Bill Fawcett explore the watersheds of history that began as the best of ideas and ended as the worst of fiascoes. A Holy War--The Medieval Crusades for religious liberation become centuries of slaughter and destruction. Sibling Rivalry--Leif Erikson spares his sister's life and delays the discovery of the New World for five hundred years. Big Guns--Emperor Constantine XI refuses to buy a new supercannon that would let him dominate his enemies, so its creator sells the cannon to the Turks, who then crush Constantinople. With casual wit and subtle insight, *It Seemed Like a Good Idea* tucks tongue in cheek and rides out the fiascoes of history.

Reviews

Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Dr. Hermann Marvin PhD**

Thorough manual! Its this kind of excellent study. It really is writter in straightforward terms and never difficult to understand. I am very happy to inform you that this is basically the very best pdf we have read through during my individual existence and could be he greatest ebook for possibly.

-- **Dr. Arno Sauer Sr.**
