Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Hi! My name is Missy C. Lockett, I have written a creative nonfiction story. It s not an ordinary biography of me, its more like taking an adventure ride, without the tour guide. It is about my life growing up in a rural, farming, Catholic community, that sets right dab in the heart of Kentucky. One may say, I stick out like a soar thumb in these parts, being a lesbian, a single mom and running my own eclectic Cafe, serving up delicious steaks to everyone across the state and then some. So, I invite you to travel along with me down these winding roads, where the pot grows tall and the choppers fly low. I am surrounded by my unconventional family and what they see as mundane sometimes, well, it would send most people running to a therapist. There are plenty of unexpected diversion, adversity, weird coincidences and walking on air moment. These are a few of the comedy - tragedy s that life has dealt me, so I have combined them into one delicious recipe. I call it - being com atized, which means, turning your drama into something funny. So come join me on this journey, while I reveal my sometimes unexpected undertakings, bizarre happenings, like movements in the night and my pick yourself up, and get back in the saddle again ethics. If you liked fried green tomatoes, your sure to love this story, because it s real, and it s on steroids.
