

More, Now, Again: A Memoir of Addiction

Filesize: 8.84 MB

Reviews

The publication is easy in read better to understand. It is written in basic words and phrases rather than hard to understand. You won't truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

MORE, NOW, AGAIN: A MEMOIR OF ADDICTION

[DOWNLOAD](#)

SIMON SCHUSTER, United States, 2003. Paperback. Book Condition: New. Reprint. 211 x 140 mm. Language: English . Brand New Book. Elizabeth Wurtzel published her memoir of depression, Prozac Nation, to astonishing literary acclaim. A cultural phenomenon by age twenty-six, she had fame, money, respect everything she had always wanted except that one, true thing: happiness. For all of her professional success, Wurtzel felt like a failure. She had lost friends and lovers, every magazine job she'd held, and way too much weight. She couldn't write, and her second book was past due. But when her doctor prescribed Ritalin to help her focus and boost the effects of her antidepressants -- Wurtzel was spared. The Ritalin worked. And worked. The pills became her sugar, the sweetness in the days that have none. Soon she began grinding up the Ritalin and snorting it. Then came the cocaine, then more Ritalin, then more cocaine. Then I need more. I always need more. For all of my life I have needed more. More, Now, Again is the brutally honest, often painful account of Wurtzel's descent into drug addiction. It is also a love story: How Wurtzel managed to break free of her relationship with Ritalin and learned to love life, and herself, is at the heart of this ultimately uplifting memoir that no reader will soon forget.
