Lulu.com, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Living in these end days is the end of the end, that is, the end of existence. Coping with this upcoming potential tragedy of life can no longer be ignored regardless of the bypass mechanisms you employ to make it disappear. There is only one way to overcome the innumerable fears associated with this and that is by saying good-bye to the world s system and saying hello to spiritual warfare through God. We are talking about unity for everyone, not our denominations, which really means division. You want to secure your future and comprehend that eternity in Heaven will be a welcome choice. Finally, you will have to get serious about the power of prayer, reading the Bible, memorizing Scriptures that support you, praying in tongues, seeking knowledge for more wisdom, and of course, utilizing faith which God has provided for you. Faith is FANTASTIC ADVENTURES IN TRUSTING HIM.
