Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Printing: Its Birth and Growth To the general question, When was printing invented? The average man answers, In the fifteenth century, or thereabouts, for so inferior school-books and cyclopaedias teach, without reservation. The average individual is much too apathetic to question what he sees in cold print, or to search in more reliable quarters for the origin of the various arts...
