Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Ark of Safety offers life-changing events and testimonies from children, teens, and young adults, who have come from broken homes, or have been in situations that made them feel insecure, shaking their world, like a snow globe, turned upside down. Now they re armed to face these struggles because they ve entered into the Ark of Safety, the arms of Jesus, where they feel safe and secure. Today young adults are great worriers. Their concerns about school issues, making mistakes, criticism, dying young, health issues, the economy and future stability with a job barely scratch the surface. These worries are certainly with merit. Having fostered over thirty children, to include, teens, in the past ten years, the fears they voice are similar to the ones I struggled with growing up. In a world where we live with the what-if monster, people who enter into the Ark of Safety have no fear because they have something no one can ever take away from them-the gift of eternal life. This is not a fairy-tale, but it does have a happy ending. In the Ark of Safety, Pamela presents a collection of testimonies from children and teens whom she has fostered or adopted. The book tells about the daily struggles they ve encountered, and how in the midst of life s chaos, they have found comfort in the Ark of Safety-the arms of Jesus. The book includes helpful Bible references and study questions. If you love to sit by the fire and read a heart-warming family story, this book is for you. Reverend Ed Hird Authored, Battle for the soul of Canada Ark of Safety is a beautifully written collection of...
