

New Crew's Companion - The Essential Guide for New Yacht Crews (Paperback)

By Basil Mosenthal

Fernhurst Books Limited, United Kingdom, 2014. Paperback. Condition: New. 2nd ed.. Language: English . Brand New Book. Sailing is far more fun if you understand what is going on aboard and can give a hand. And if the weather turns nasty, or things go wrong (which is very rare), then an extra hand can be invaluable. This compact companion contains all the essential information that a new crew needs before stepping aboard: what clothes to bring, what the things on the deck are called, how to start helping with the sails and other deckwork. There is also an important section on safety and one on living aboard - because boat living is not at all like living ashore. Ideal for a skipper to give out to new crew, or for a new crew to buy for themselves, to ensure that they know what to expect and get the most out of their first sailing experiences.
