By Serge Bloch

Sterling Juvenile, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. This hilarious look at idiomatic expressions will be loved by both children and adults. It is suitable for children age 4 years and upwards. Serge Bloch whips up a scrumptious new concoction for his fans to savour! In this deliciously clever follow-up to *Butterflies in My Stomach* and *Reach for the Stars* (9781402771293), our young hero and his loyal dog, Roger, tackle another major aspect of life: eating. Mealtime should be a piece of cake, but this finicky eater eats like a bird. That drives his mum bananas because he really should have three square meals a day. What will happen when he dines at the home of a friend whose mum is a real health nut? Maybe he ll discover that variety is the spice of life! Children might find these sayings puzzling at first, but Bloch s witty and wonderful images, which mix whimsical line drawings with photographs of inanimate objects, make everything clear and will leave readers of all ages pleased as punch.
