### **Reviews**

*An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).  
(Nannie Lindgren Jr.)*

## PRE-SCHOOL BRIDGE COLORING BOOK

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This Pre-School Bridge Coloring Book is for children, ages 4-7. The focus is on learning shapes, card symbols, counting to 13, following directions, recognizing colors and introducing basic bridge concepts. The prime directive is to encourage small kids to use their imagination, to color inside and outside the lines, and to play face to face with friends. The learning bonus is the introduction to the world of playing cards. As Pablo Picasso himself said, Every child is an artist. All they need is a little encouragement. Simply put, there is something very moving about children coloring in a book. It is so simple, and so much FUN!.
