Women-Owned Businesses in the 21st Century (Paperback)

By U S Department of Commerce

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book documents the changes in women-owned businesses over time, explores disparities in the characteristics of businesses owned by women as compared to those owned by men, and discusses potential reasons for these disparities and the different outcomes that are associated with them. The focus is on proprietorships, partnerships, or any type of privately-held corporation with one or more owners. Publicly-held companies are not included. Women-owned businesses contribute significantly to the U.S. economy. In 2007, 7.8 million firms were owned by women, accounting for almost 30 of all non-farm, privately-held U.S. firms. Women-owned firms had sales/receipts of \$1.2 trillion and those with paid employees had 7.6 million workers. The number of women-owned businesses has grown over time. Between 1997 and 2007, the number of women-owned businesses grew by 44 , twice as fast as men-owned firms, and they added roughly 500,000 jobs while other privately-held firms lost jobs. In part, this is because women-owned firms were more likely to be located in industry sectors that experienced employment growth, such as health care and education services. Between the years 1997 and 2002, the number...
