Light in the Star is the story of a flight at the controls of an iconic P-51 Mustang and of four unexpected God-lessons that reshaped the author s understanding of what following God really means. I have been a believer in Jesus for a long time and thought I knew how to follow him. I hold advanced educational degrees that include extensive theological content. I have read and taught the Scripture extensively. And, I have heard and digested many hundreds of sermons, books, and lectures on the expectations of God for mankind. But, no one ever taught me how to follow Jesus as clearly and simply as did a flight instructor, his P-51 Mustang, and four essential lessons. Dr. Mark Foley.
