The giant-sized format is ideal for group storytelling and show and tell. The story of Cinderella's escape from cruelty and poverty into the arms of a handsome prince is one of the most captivating of all fairy tales. Cinderella lives with her horrible stepmother and stepsisters, who make her do all the household chores and never let her have any fun. When a Grand Ball is held at the palace, Cinderella meets her Prince Charming, but she has to leave at midnight, when her fairy godmother's spell runs out. This delightful retelling of one of the great fairy-tale classics is perfect for reading aloud to small children, or for more confident readers to enjoy by themselves. Will the prince be able to find Cinderella and make her his bride? Read this really big adventure to find out.
