Andrews McMeel Publishing, 2016. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Woodstock might be the smallest of all the Peanuts gang, but he's got a lot to say, even if Snoopy is the only one who understands him. That's because Snoopy is Woodstock's Friend of Friends, and together they write masterpieces, fly airplanes, find the perfect place to nap, and win over the hearts of readers all over the world. Whether he's falling in love with a snowflake or crash-landing on the tip of Snoopy's nose, Woodstock is the little yellow bird with a big personality. It takes more than a strong wind to ruffle Woodstock's feathers, although it's a good thing he has Snoopy to keep his little yellow feet on the ground. Don't miss out on the newest AMP! Peanuts collection featuring Woodstock, the most recognizable yellow bird in the world—even in disguise! Charles Schulz's Peanuts is one of the most timeless and beloved comic strips ever. Now AMP! is carrying on that legacy with new collections of Peanuts classics for middle-grade readers. First published in 1950, the classic Peanuts strip now appears in more than 2,200 newspapers in 75 countries in 25 languages. Phrases such as security blanket and good grief, which originated in the Peanuts world, are now part of the global vernacular, and images of Charles Schulz's classic characters—Charlie Brown kicking the football, Lucy leaning over Schroeder's piano—are now universally recognized. Together these books will introduce a new generation of kids to the lovable cast in time for the new animated Peanuts movie, which hits theaters in 2015!.
