

Anxious Inquirer, The

By James, John Angell

Oswestry, United Kingdom: Quinta Press, 2002. Soft cover. Condition: New. No Jacket. This book was the means of salvation for a great many Victorians. Its language makes it unsuitable to give to unbelievers as an evangelistic tool today, but is ideal as a manual for Christians who want to know how best to handle those who have become concerned for their eternal welfare and require suitable counsel as to how they may seek salvation in Christ. A new reset edition.
