

## The Story of French New Orleans: History of a Creole City (Hardback)

Filesize: 8.54 MB

### Reviews

*These types of publication is the best book available. it absolutely was writtern very completely and helpful. I am very happy to explain how here is the greatest book we have study within my individual existence and can be he greatest publication for possibly.*  
(Lucas Brown)

## THE STORY OF FRENCH NEW ORLEANS: HISTORY OF A CREOLE CITY (HARDBACK)

University Press of Mississippi, United States, 2016. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. What is it about the city of New Orleans? History, location, and culture continue to link it to France while distancing it culturally and symbolically from the United States. This book explores the traces of French language, history, and artistic expression that have been present there over the last three hundred years. This volume focuses on the French, Spanish, and American colonial periods to understand the imprint that French socio-cultural dynamic left on the Crescent City. The migration of Acadians to New Orleans at the time the city became a Spanish dominion and the arrival of Haitian refugees when the city became an American territory oddly reinforced its Francophone identity. However, in the process of establishing itself as an urban space in the Antebellum South, the culture of New Orleans became a liability for New Orleans elite after the Louisiana Purchase. New Orleans and the Caribbean share numerous historical, cultural, and linguistic connections. The book analyzes these connections and the shared process of creolization occurring in New Orleans and throughout the Caribbean Basin. It suggests French New Orleans might be understood as a trope for unscripted original Creole social and cultural elements. Since being Creole came to connote African descent, the study suggests that an association with France in the minds of whites allowed for a less racially-bound and contested social order within the United States.
