R. James first collection of ghost stories, published in 1904 (some had previously appeared in magazines). Some later editions under this title contain both the original collection and its successor, More Ghost Stories (1911), combined in one volume. Montague Rhodes James (1862-1936) was a medieval scholar; Provost of King s College, Cambridge. He wrote many of his ghost stories to be read aloud in the long tradition of spooky Christmas Eve tales. His stories often use rural settings, with a quiet, scholarly protagonist getting caught up in the activities of supernatural forces. The details of horror are almost never explicit, the stories relying on a gentle, bucolic background to emphasise the awfulness of the otherworldly intrusions. Montague Rhodes James, OM, MA, (August 1, 1862 - June 12, 1936), who used the publication name M. R. James, was a noted British mediaeval scholar and provost of King s College, Cambridge (1905-1918) and of Eton College (1918-1936). He is best remembered for his ghost stories which are widely regarded as among the finest in English literature. One of James most important achievements was to redefine the ghost story for the new century by dispensing with many of the formal gothic trappings of his predecessors, and replcing them with more realistic contemporary settings.
