BADNJAK

[DOWNLOAD PDF](#)

Alphascript Publishing. Taschenbuch. Condition: Neu. Neuware - The badnjak is a log brought into the house and placed on the fire on the evening of Christmas Eve,(l) a central tradition in Slavic Christmas celebrations in Bosnia and Herzegovina, Croatia, Serbia, Montenegro, Bulgaria, much like a yule log in other European traditions. In the Bulgarian, Croatian, and Serbian languages, the name for Christmas Eve is derived from the term badnjak. The tree from which the badnjak is cut, preferably a young and straight oak, is ceremonially felled early on the morning of Christmas Eve. The felling, preparation, bringing in, and laying on the fire, are surrounded by elaborate rituals, with many regional variations. The burning of the log is accompanied by prayers that the coming year brings food, happiness, love, luck, and riches. The badnjak is treated as a person, to whom salutations and sacrifices such as grain, wine, and honey are offered. The log burns on throughout Christmas Day, when the first visitor strikes it with a poker or a branch to make sparks fly, requesting that the family's happiness and prosperity be as abundant as the sparks. 308 pp. Englisch.
