

Memewars

By Adeena Karasick

Talon Books, Canada, Canada, 1994. Paperback. Book Condition: New. 229 x 153 mm. Language: English . Brand New Book. Merging autobiography, criticism, feminist theory and poetry in an economy of desire, Memewars puts a poetics of rupture, displacement, obsession and exile into praxis. This text writes against a sexist, imperialist discourse of mastery and idealization. It challenges the mythologies of cohesion, autonomy and stable identity--the capitalist vision of literary originality, where ownership is of prime value. As a book that calls into question beginnings and ends, Memewars has no closure and no back cover; six individual texts work from two separate beginnings: they clash in the middle --an unstable and shifting centre. However through a self-reflexive practice of authorization, intention is delegitimized as the centre-piece decentres, and becomes yet another beginning.
