AUTHORHOUSE, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. My book is a collection of poems used to inspire everyday people. I cover everything from sex, religion, politics, education, etc. These poems will make you laugh. These poems will make you think. These poems will encourage your soul. I have taken the risk by allowing you a glimpse of my life, and my personal thoughts. In my opinion people want to read about real life experiences not fiction. You will see that not only will you have had some of the same thoughts, but maybe some of the same experiences. My overall goal is for my readers to walk away with a sense of awareness. I ask everyone who reads to understand the content of the book and not its rawness.
