Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Time Storm Shockwave is a time travel science fiction mystery, full of action, adventure, suspense, and romance. Based on real science and urban legend, this story will take twists and turns never dreamed of before, as the characters seek to unlock the secrets of the mysterious events of the Devil s Triangle, while being pursued by an unknown enemy, and facing disasters of apocryphal proportions. The mystery will keep you guessing from the beginning to the end! Excerpt one We have to shut it off! Mark yelled. We can t shut it off -the commander responded- it will close the void. Mark flew up the stairs taking them three at a time. Admiral, we have to turn it off. The machine has lost its balance. It will create a black hole. The admiral ignored him. You ve got to shut it off; an imbalance in the void could take the whole planet! Mark screamed at him. Excerpt two The asteroid had been a small one on an astronomical scale, but it was dark, and it lit up the sky as if it were noonday. It roared with the sound of a thousand jet engines as it plunged through the water and hit the ocean floor in the Sea of Japan. There was no tsunami warning, only a powerful sucking sound as the water pulled away from the coastlines. The explosive impact of the asteroid into the water created a mega tsunami over two thousand feet high. It traveled out in every direction, hitting all the surrounding coastlines, including Japan, North and South Korea, Russia, and even some lower parts of China. It traveled inland more than sixty miles in...
