Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Its 1942. With war raging, and millions of lives hanging in the balance, the world faces an urgent need for chin-up heroics. Having barely escaped South American headhunters in his last adventure, Jack Hunter seizes the chance to prove his courage. He uses "skills" picked up as a former actor so he can pretend to be a Chicago gangster and pursue spies collaborating with the mob. A bold plan, however, is not always a clever plan, and when Jack goes missing hope falls on Maxine Daniels, the great love of his life, to pick up a trail that leads all the way to Shanghai, China. Once there, she finds Jack in a race against time involving priceless jewels, secret weapons, a mysterious Chinese singer, and a fiendish warlord. Its been five years since they survived the Amazon. This time Jack and Max set out to save more than each other and end up facing a greater danger than they ever could have imagined. Also included, a book bonus Jack and the Jungle Lion, Jack Hunters first adventure. Rave Reviews for Jack and the Jungle Lion: "I was delighted with it from page one to the end. The pacing is spot-on, the characters...
