Mel Bay Publications, 2012. Paperback. Condition: New. Language: English . Brand New Book. For decades, guitar students and teachers alike have struggled with the idea of left-handed individuals playing right-handed. Now that the idea of letting the dominant hand rule is widely accepted as the best course of action, here at last is a proven method for the left-handed guitarist! The world s premier method for learning modern plectrum style guitar, time-tested and proven successful inbuilding the theoretic and technical foundation needed to play in any style. Allseven grades of this method are written in standard notation only to encourage better sight reading. In Grade 1, the student guitarist will learn to play solos, duets, scales, and chords in the keys of C, A minor, G and E minor. Even in Grade 1, the student is already exposed to the chord/melody concept of guitar performance. A supplementary study book entitled Grade 1 Studies, two different play-along audio recordings (pop version and traditional), and video are available. The companion recordings feature Tommy Flint and William Bay playing in split-track format, with the solo parts performed on the right channel, and the accompaniment or second duet parts played on the left. The student can playalong with the full recording, or tune out either channel and play the missing part. The Left-Handed Modern Guitar Method Grade 1 provides valuable enhancement to the world s most popular guitar method.
