Charlesbridge Publishing,U.S., United States, 2012. Hardback. Condition: New. Language: English . Brand New Book. Living in America s most famous residence might seem glamorous at first--it s the most fun place any kid could live! There s a bowling alley in the basement, chefs are always available to prepare whatever you re craving, and sometimes presidential aides will even help you with your homework! But life isn t always easy for the youngsters who call the White House home. They re always in the spotlight, and those pesky Secret Service agents are always around. For every perk, there s a problem. From Washington to Obama, see the White House through the eyes of the children and grandchildren. Filled with wacky, weird, and wonderful stories, it shows what it s like to call the president Dad (or Granddad or Uncle). Find out what schools they went to, what mischief they caused, and what pets they had. There are first-person accounts from letters and interviews, fascinating photos, original illustrations, and even a section that follows the children after they left the White House.
