I Suffer for Jesus Sake (Paperback)

By MR Stanley Ole Lotegeluaki

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Cheddar Man, Britains oldest skeleton had dark skin, DNA shows. London- He had dark skin, brown curly hair blue eyes, DNA tests suggest, upending a common assumption that Britains indigenous populations were all pale skinned with fair features. Cheddar Man Scientists have now reconstructed his features, demonstrating that he was part of a population of ancient Western Europeans that, scientists have shown in recent years, had dark skin. Research has shown that fair skin pigmentation- long considered a defining feature of Europe- only goes back less than 6000 years. - NewYork Times Feb 7th 2018. That was a direct quote from the NewYork Times today this ends the problem of racism once for all. All people at one time were brown or black being white is only about 6000]- years old. This is important to Africa who have been demonized by the West Nazi thinking. What would Hitler think if he knew that 6000 years ago his precious Race was black. What about the K, K, K and NeoNazi s and Alt Right of today? What are their thoughts seeing that...
