

A Woman's Framework for a Successful Career and Life (Paperback)

By James E. Hamerstone, Lindsay Musser Hough

Palgrave MacMillan, United Kingdom, 2013. Paperback. Condition: New. 2013 ed.. Language: English . Brand New Book ***** Print on Demand *****.Successfully Navigating a Profession is a comprehensive resource for young women trying to figure out how to build a successful career in today's world. Unfortunately, young women navigating the current workforce are faced with career metaphors that can make achieving a successful career tantamount to sending a text message from a rotary phone. While building a satisfying career in today's economy isn't quite as easy as laying on your couch and texting in your American Idol votes, it doesn't have to seem impossible either. This book explains how. Its 2010 women routinely serve on the President's cabinet (President Obama's has five), lead large corporations such as Pepsi and Xerox, and comprise 60 percent of college graduates. The ingredients to the secret sauce of a woman's career aren't so secret anymore. However, few books provide those ingredients in a straightforward, organized way. In this timely work, the authors lay out, one by one, the building blocks for a successful, lifelong career focusing on skills (such as leadership and communication), mentoring, work-life fit, and...
