Reviews

The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.

HarperCollins Publishers, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. New York Times bestselling author Linda Goodnight welcomes you to Honey Ridge, Tennessee, and a house that's rich with secrets and brimming with sweet possibilities. Memories of motherhood and marriage are fresh for Julia Presley—though tragedy took away both years ago. Finding comfort in the routine of running the Peach Orchard Inn, she lets the historic, mysterious place fill the voids of love and family. No more pleasure of a man's gentle kiss. No more joy in hearing a child call her Mommy. Life is calm, unchanging, until a stranger with a young boy and soul-deep secrets shows up in her Tennessee town and disrupts the loneliness of her world. Julia suspects there's more to Eli Donovan's past than his motherless son, Alex. There's a reason he's chasing redemption and bent on earning it with a new beginning in Honey Ridge. Offering the guarded man work renovating the inn, she glimpses someone who—like her—has a heart in need of restoration. But with the chance discovery of a dusty stack of love letters buried within the lining of an old trunk, the long-dead ghosts of a Civil War romance envelop Julia and Eli, connecting them to the inn's violent history and challenging them both to risk facing yesterday's darkness for a future bright with hope and healing.
