Not illustrated. 1874 Excerpt: .you stood in the presence of a man worth calling a man--one who was cast in a very different mould to any glibtongued dandy of the period. About half a dozen years after the appearance of the Sea King, with powers more fully developed, Bigg published a dramatic poem, entitled Night and the Soul, which, though marred by extravagances in some parts, was nevertheless full of genius of a high order, and gave indications of much future promise. It made its appearance in the columns of The Critic; then in a collected form; and was very appropriately dedicated to the author s brother James. The germ of this fine poem--though in all probability the writer of it was unconscious of the fact--may be found in a remark of Lord Bacon s where he says, that Philosophy, when studied superficially, leads to unbelief and atheism; but when profoundly understood, produces veneration for God, and renders faith in him the ruling principle of life. The work--which was soon after re-issued in America--was the means of bringing his name prominently before the literary world, and did much to establish his fame. It placed his name, too, in close affinity with a rising school of young poets, of whom Philip James Bailey, the author of Festus, was the acknowledged leader and representative--a school which was satirically dubbed the spasmodic, and which provoked from the pen of Professor Aytoun a clever burlesque poem, entitled Firmilian, or the Student of Badajos. Wrynoee...
