*I actually began looking over this pdf. This can be for all those who statte there was not a worthy of reading through. I am easily can get a enjoyment of reading through a written publication.*  
*(Rafael Feeney Jr.)*

## INTO THE GREEN (PAPERBACK)

St Martin's Press, United States, 2001. Paperback. Condition: New. Reprint. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The harp was a gift from Jacky Lanter's fey kin, as was the music Angharad pulled from its strings. She used it in her journeys through the kingdoms of Green Isles, to wake the magic of the Summerblood where it lay sleeping in folk who had never known they had it. Harping, she knew, was on third of a bard's spells. Harping, and poetry, and the road that led . . . Into the Green Charles de Lint takes us once again into lands infused and transformed by magic. Magic that grows in the roots of old oaks and dances by moonlight among standing stones. Magic that sleeps in an old soldier's eyes and glows in the gaze of a phantom stag. Magic that pumps through the heart and the veins of those born to the Summerblood-to be stolen at knife point, burned, destroyed, in danger of fading back into the green and disappearing forever from the world.
