There s More Great News for America coming! Dr. Lameiro s vision for America is enthusiastic and energetic, optimistic and bright. According to Dr. Lameiro, it s an exciting and hope-filled time to be alive. America has entered a new Conservative Era. We will literally see the rebirth of morality in government and across America; a return to more individual freedom; peace with other nations and peace within America; and a level of economic prosperity greater than ever before seen in the world. More Great News for America builds on the optimistic vision and positive message of Dr. Lameiro s prescient 2016 book, Great News for America. It updates where America stands using both Dr. Lameiro s long-range presidential election models (that span about 24 - 36 years) and his short-range election models (that span about 2 - 8 years). It includes his latest dynamic electoral models (that cover about 1 - 24 months) as well. This book avoids the jargon of specialists and the nitty-gritty of mathematicians and statisticians, preferring to speak in direct, straight-forward, and common sense language to the Dr. Lameiro s readers and TV and Talk Radio show listeners. No math or statistics are needed to read this book. More Great News for America makes eight new, bold, and powerful predictions about the political parties and their future viability; the actual upcoming Congressional elections; the makeup of the new House of Representatives and Senate; and achieving or not achieving the Trump agenda. It also looks ahead to the upcoming presidential election with an early forecast. More Great News for America also explains how and why the good guys win in the end, and forecasts four major, highly...
