WALKING A HAUNTED SANDBAR: A SUSPENSE AND HORROR COLLECTION (PAPERBACK)

Rivershore Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A lyrical yarn about an overly-curious newspaper man transplanted from England to the eastern coast of the USA, who stumbles onto the fact that a one-hundred-year-old cult of drowned sailors has complete control of his quaint, seaside town. A legend about a hand-held golden mirror (with a portable vortex inside its case); as it is randomly passed between owners in separate vignettes to change their lives beyond human comprehension. The ennui and general apathy of living in a sleepless big city that doesn't seem to care-as expressed in skeleton symbols. A humble man with great calculating abilities uses his natural mind to auto-suggest (the future of law and order) hundreds of years from now.
