Lionheart Group Publishing, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This award-winning chapter book series follows four friends -- two military brats (one African American), one Arapaho Indian, and a mini-genius -- as they live, learn, explore, and discover cultures, mysteries, and caves. Buck doesn't feel so alone anymore now that Jones and Blue have entered his life. And then the curious little JEEP guy pops in and balances out the group. Does it matter he's three years younger? When a strange circle appears practically in Blue's front yard and Grandfather's prize bull ends up dead, will Buck be able to prove he's not responsible to the local sheriff? Will JEEP's logical approach be of any help? Do aliens exist? The stakes are higher for the four friends in this, their third adventure. But, together? Anything is possible.
