Len Deighton s classic first novel, whoseprotagonist is a nameless spy - later christened Harry Palmer and made famous worldwide in the iconic 1960s film starring Michael Caine. The Ipress File was not only Len Deighton s first novel, it was his first bestseller and the book that broke the mould of thriller writing. For the working class narrator, an apparently straightforward mission to find a missing biochemist becomes a journey to the heart of a dark and deadly conspiracy. The film of The Ipress File gave Michael Caine one of his first and still most celebrated starring roles, while the novel itself has become a classic.
